

~LXXV: A Number for New Beginnings~

“Now the Lord said to Abram, ‘Go from your country and your father’s house...to the land that I will show you...’ Abram was 75 years old when he departed.”

~Genesis 12:1, 4

Dear Members and Friends,

75 is mentioned only twice in the Bible, and both times, it's in reference to new beginnings. The first time is this: When Abram (later renamed “Abraham”) turned 75, God called him “away from his country and his father’s house” to become the father of a great nation in a land as yet unknown. (By the time his kid was 75, I’m sure Abram’s dad was more than ready to turn his bedroom into a TV room.) The second mention of the number 75 comes in the book of Acts, where it retells the story of an elderly Jacob and 75 of his family members who emigrated to Egypt to start a new life with his long-lost favorite son, Joseph. Biblically, 75 speaks of new beginnings, which is something to keep in mind as we enter more deeply into our 75th anniversary celebrations.

It is a time of new beginnings in American church life, and Bower Hill is no exception. Think how much has changed since 1951, when church was a part of most people’s lives. As a forward-looking element of our 75th anniversary observances, we’ve planned a speaker series to address the changing role of faith in American society:

“Faith Forward: The Future of Congregational Life”

We are bringing nationally renowned experts in the field of religious trends here to Pittsburgh to talk about current findings and the changing role of religion today, as well as possible ways forward. This is a big deal! Not only has this conversation not yet been brought to Pittsburgh, but our interfaith speaker series has already aroused the interest of Pittsburgh Presbytery (co-sponsoring the events) and Christian Associates of Southwest Pennsylvania (also co-sponsoring). Here’s how it’s going to look:

Wednesday, March 11, we’ll “examine the data” at Cefalo’s in Carnegie, with Ryan Burge. Who’s Ryan Burge? Google him, he’s famous! Burge is a groundbreaking author and podcaster whose work appears in The New York Times, The Wall Street Journal and Politico. There will be a catered dinner, a presentation by Burge, and a time of Q&A to discuss issues facing congregations today—and particularly our church.

Wednesday, April 22, again at Cefalo’s, we’ll learn from Andrew Root how church life is changing. Root is equally famous; Google him too. Root is a professor at Luther Seminary who has written a series of books about the changing place of religion in our country. This event, too, includes dinner, a lecture, and a time of discussion.

Wednesday, May 13, is a panel discussion on “ways forward” for congregations. This will be moderated by Liddy Barlow of Christian Associates of Southwest PA, and it will include Greg Jones of 1st Baptist Church, a professor at Duquesne whose work explores the intersection of faith and virtual life; Tracy Keenan, former associate pastor here at Bower Hill and retired “Missional Presbyter” in Delaware; and Eric Schaffer, former president of Rodef Shalom, who oversaw the merger of that congregation with Temple Sinai. This event is also at Cefalo’s with dinner and discussion.

The cost for each event is only \$35 per person, or \$90 per person for the entire series. Register soon as spaces are limited. See the brochures in the Narthex or contact the church for more information. Happy Seventy-fifth anniversary, Bower Hill. Let’s face this new day with hope and joy.

Christ’s Peace,

~Brian

Congregation Meeting Notice

By official call of the Session, the first 2026 regular meeting of the congregation of Bower Hill Community Church (Presbyterian U.S.A.) will be held on Sunday, February 22, in the Sanctuary immediately following the worship service, and via Hybrid.

The agenda for the meeting includes a review of the 2025 year-end financial statement, presentation of the 2026 operating budget as adopted by Session, and approval of the pastor's revised terms of call.

PASTORAL PONDERINGS ~ Giving from the Heart

February is the month when we see hearts in all shapes and sizes in honor of Valentine's Day. The day commemorates a 3rd-century priest that has become the patron saint of lovers. The tradition is that he defied the emperor by performing marriages and was martyred for his faith.

The day is traditionally celebrated by elementary school children sharing cards with each other, to lovers giving gifts of roses, candy and other special remembrances. As a side note on this tradition, the heart has become known as the seat of emotion. Gifts that are said to be given, "straight from the heart," are those that are presented with the deepest of feelings, love and gratitude.

The church is a place where we have an opportunity to give gifts in many different ways that demonstrate the love of Jesus for each one of us. It is not an obligation, but wonderful way in which we can enhance the lives of those that we don't even know and let them know that they too are loved. Will you give a gift this month straight from the heart?

In honor of all who have served by Susan Watson

Observations of a New Member by Wendy Duchene

I recently began to attend BHCC for two very simple and somewhat selfish reasons. I was looking for a place to spend an hour a week to sit in a peaceful, intellectual environment, sheltered from the constant noise of our turbulent times. And the church was close enough to my home to make it easy. I had no intention of joining. I found that convenient, peaceful, intellectual place I was looking for but I also found a great deal more. I found a place where the actual teachings of Christ, with an emphasis on love, compassion, and service to the less fortunate, were the center of worship. A place where the congregation has as its focus and mission to live life as warm beacons of hope for those without it. What I have seen in my brief time at BHCC is a church grounded in real Christian love – not Christian Nationalism, not intolerance or fear, and not the egotism or superiority too often displayed by those who disguise their selfishness under the so-called gospel of prosperity. The true nature of BHCC can be seen in the causes it champions – reducing hunger among the less fortunate in the community, eliminating crippling medical debt, and sharing its physical assets with others who lack such a beautiful building in which to worship.

As a country, we face a lot of issues none of us ever anticipated. I have written to our leaders in the Senate and House and asked them on which side of history they will choose to be remembered in the years to come. Many church leaders, and church goers, frankly, are facing the same questions as organized religion struggles for relevance. I truly believe that Bower Hill Community Church, though it may face many challenges that I, as a new member, am not aware of, is on the right side of that struggle. And that is why I chose to join the church rather than just attend. I have felt very welcomed here, but that is not the important part. I feel like all would be welcome here – as Christ would welcome them.

From the Eco-Justice Team:

Even without the imminent threat of an energy-sucking data center, electric costs have been rising and are likely to continue to do so. There is plenty of advice for curbing energy use on-line, not all of which involves freezing in the dark.

In addition, Duquesne Light offers several programs to help customers control usage and costs. Go to duquesnelight.com and click on “Energy and Money Savings.” There you will find information about rebates on a range of energy-saving devices, such as air conditioners, furnaces, and insulation. Another program will pay us for old appliances, as well as haul them away. They will pay \$50 for an old refrigerator, freezer, or room air conditioner, or \$35 for a dehumidifier. The hauled away items are then recycled in a responsible manner. I can say from personal experience that this program works. Additionally, Duquesne Light offers a “Residential No-cost Comprehensive Audit,” during which the auditor will install LED bulbs, LED nightlights, power strips, and other qualified products. Lastly, the site offers various products at a discount. The day I checked, the featured products were smart thermostats and power strips. Get details of all these on the above-mentioned web site.

Stay warm!

Souper Bowl of Caring – Food Drive through March 8

Join Bower Hill youth in the movement to Tackle Hunger by collecting both monetary and food donations to benefit the Greater Pittsburgh Community Food Bank. We’re asking for your help in one of four ways:

1. Share this drive with friends and neighbors by passing along fliers (located on the tables in the Narthex) or download and print them here to hand out to your neighbors.
2. Make a monetary donation directly to the Food Bank on-line.
3. Bring your food items to church between now and March 8. There will be a collection box setup near the portico entrance.
4. Distribute fliers around the neighborhood on Sunday, February 22. We'll meet in Fellowship Hall after church and organize teams.

Unity Food Pantry Collection February 8

Western PA Diaper Bank

Remember to save coupons for disposable diapers and feminine hygiene products that you collect. You can drop them off at the church office during regular business hours or send them with your weekly offering.

Notes from the Mission Committee:

Thank you for your contributions to this year's **Giving Tree** charities. \$560 was raised for the Greater Pittsburgh Community Foodbank. 22 Jared Boxes were filled with games and activities for children at area hospitals. And a nice assortment of cat food, dog food, leashes, treats, toys and towels was collected for Humane Animal Rescue of Pittsburgh. In addition, a member of Hooks and Needles crocheted 40 lap robes which were provided to seniors residing at Presbyterian Senior Care in Washington County.

On **March 15, 2026**, a number of us from Bower Hill will be attending the 29th annual **Empty Bowls Dinner at Rodef Shalom** in Oakland. You may select a bowl made by local potters, in which your soup selection will be served. This is a fundraiser for the Greater Pittsburgh Community Foodbank. Tickets are \$35 in advance, or \$40 at the door. Take this opportunity to gather with friends and neighbors for an informal meal of local chef-created soups, hearty bread and other tasty treats. Seatings are at 1:00 p.m. 3:30 p.m., and 6:00 p.m. We'll meet in the church parking lot to carpool. Watch for further details.

Thank you to the 75th Anniversary Committee for planning a church service, accompanied by a service project, for Sunday, February 1. Our supportive relationships with Casa San Jose, Neighborhood Academy and SHIM were highlighted, and bags of snacks, treats, and toiletry items were assembled for the three organizations.

Our mission efforts with New Hope Worship Center (formerly Carnegie Pres) continues with meal preparation the fourth Sunday of each month. Carnegie Carryout Dinners have been prepared for an average of 60 individuals who greatly appreciate the hot, free meal. St. John's Lutheran Church in Carnegie will be joining in our efforts, as we continue to seek additional congregations to join in this project.

Global Links, an occasional recipient of Bower Hill's mission support, is holding a virtual "Lunch and Learn" February 5, 2026 at noon. Global Links collects useful surplus medical materials from area hospitals and shares them with international and domestic partners. They also work to educate others on issues of global health and environmental stewardship. Their International Medical Aid Program has collaborated on health improvement projects, education exchanges, and medical studies in 15 Latin American and Caribbean countries over the past three decades. UPCOMING Fellowship Events

Get Outdoors

Saturday, February 3

We have decided to change the start time from 9:00 a.m. to 1:00 p.m. for hikes during the winter months. Hopefully, this will give us more comfortable hiking temperatures. During the winter months, it is always difficult to find trails that are safe to walk. If the weather cooperates, we will hike local trails that are not hilly such as Panhandle Trail, Montour trail, Boyce-Mayview Park trails, etc. We will decide what trail to hike when we meet. If it's too cold or all trails may be icy, the hike will be rescheduled.

We will meet at 1:00 p.m. in the main parking lot and carpool to the hike. The trailhead should be about a 30-minute drive. The hike should be about 2 hours. So, we will be home around 4:00 p.m. If it rains or weather is bad, we will reschedule. Please email me at gstchild@yahoo.com or call so we don't leave without you.

Hooks & Needles

February 7 & 21

Hooks and Needles continues to meet on the 1st and 3rd Saturday of each month. We will meet at Phyllis Yohe's house from 1:00 p.m. to 3:00 p.m.

New Members and needle workers of all skills welcome! Hope to see you there!

Koinonia

Wednesdays

9:15 a.m. Room 110

All women are welcome to join Koinonia, BHCC's women's Bible study group, and to explore and share in faith and fellowship with other women. This group meets on Wednesdays, fully in-person in the lounge (Room 110). Contact Sarah Neusius (sraahneusius@gmail.com) for more information or just come and join us.

Senior Men's Breakfast

February 3

8:00 a.m.

The Denny's at 2180 Greentree Road had a car crash into the restaurant. I expect it will not be open February 3. So, lets meet at: Eat'n Park Collier, 1197 Washington Pike, Bridgeville, PA 15017

No reservation is required, and conversation is spontaneous. The regular meeting date is on the first

Tuesday of each month. All men are welcome. Any questions or comments, contact Glenn Child at gstchild@yahoo.com.

Bookworms

February 24

1:30 p.m. via Zoom

This is an open invitation to anyone attending Bower Hill Community Church, friends and family members, to join Bookworms, the Church Book Club. Reading and discussing books since 2001, members have enjoyed the variety of perspectives readers bring: from 'loved it', to 'yuk', to everything in between.

The group reads fiction, non-fiction, memoirs, biographies, really anything the group suggests. The conversation is assisted by online reader guides. Different perspectives create great discussions. All opinions are welcome. A list of the books read by the group is available on the church website (<https://www.bowerhillchurch.org/books-read>). Check out the variety!

The group currently meets by Zoom on the fourth Tuesday, January through November, at 1:30 p.m. We met in the evening at the church until Covid made meeting in-person impossible. Virtual contact is still comfortable for most attendees, although that could change in the future.

Please consider joining the group to discuss any book that interests you. Reading every book and attending all the discussions is not mandatory to be a member. Come try us out. We may 'worm our way' into your reading routine. To join the group for the next meeting, send your requests to Sally Child at sa.child@yahoo.com.
