Sanctuary Flowers/Donation Dedications

If you are interested in purchasing flowers or making a donation to the charity of your choice as a dedication in memory/honor of a loved one, please contact the church office to request a form or information.

Lighting the Steeple

The opportunity to light the steeple of Bower Hill Community Church continues. Many have sponsored a night in honor of a person or a special occasion. It has also been lit as a way to memorialize a special person who has passed away. Notice of the lighting and the person, event, or date that it commemorates, will appear in the weekly bulletin. The cost of this is \$10 a day and can be sent directly to the church. (You will not be billed for this.)

Requests should include: the date(s) you would like to sponsor, the reason you want to sponsor (in honor, in memory, etc.), the name of the person(s) or the event as you want it to appear in the bulletin, and your name. Email your request to: Amy Leasure at amlea97@hotmail.com. MULTIPLE sponsors can share the SAME DATE.

PASTORAL PONDERINGS - WORD, SACRAMENT & ORDER

When one is ordained, the vows that are taken grant authority in the church for certain functions. The first is the word. It grants the ordained the opportunity to preach the word from the Biblical record, and to be accountable to do one's best to correctly interpret the scripture.

The second function is to duly administer the sacraments. In the Protestant tradition, the two sacraments are Baptism and Holy Communion. As the word sacrament implies, this is a very sacred responsibility. It links our congregation to the ancient rites of the church as it has evolved and witnessed to the world.

The last function, order, is much more denomination specific. In some traditions, it expects the ordained clergy to have sweeping administrative functions. In others, pastors are relegated to executing the desires of the congregation. In either case the ultimate concern is the continued vitality of the faith.

I would like to offer my deep gratitude to Bower Hill Community Church, Brian Snyder, the Session and the congregation for the opportunity this summer to fully share in my ordination vows. Blessings to all!

~ Rev. Dr. Fred Leasure, Parish Associate

Back to Bells and Choir

We warmly invite ringers and singers of any ability to join the bell and chancel choirs at Bower Hill. Reading music is not required and there is no audition. Bells rehearse at 6 p.m. on Thursdays and Chancel Choir rehearses at 7:00 p.m. on Thursdays, both in the choir room.

Cherub choir - grades K-3, will rehearse at 10:45 a.m. in the choir room on the Sundays; 11/20, 11/27, 12/4, and 12/11. They will sing in worship on Sunday, December 18.

We hope to start a choir for grades 4-6 called Chorister Choir. Rehearsals would be Sundays; 11/20, 11/27, 12/4, and 12/11 at 10:45 a.m.

We need adult volunteers to make both choirs happen successfully. Please contact Anne at anne.smith@bowerhillchurch.org to find out more.

BHCC ADULT EDUCATION RETURNS

Fall Adult Education Classes Start September 18

Adult Education classes will resume on September 18 at 11:00 a.m. We will be meeting in-person in the Friendship Room and offering an online option as well.

This year's theme is "Service and Servanthood". Through our sessions we will explore Jesus' call to serve rather than be served as in Matthew 20:26b-28a: *"...but whoever wishes to be great among you must be your servant, and whoever wishes to be first among you must be your slave, just as the Son of Man came not to be served, but to serve..."* We also will explore spiritual disciplines that prepare us for service, the opportunities we have for service in church, community, and the wider world as well as consider the historical and present day role models whose lives have been dedicated to serving others.

Stay tuned for more details in E-Blasts and plan to join us each Sunday morning.

Faith Formation, Adult Education Committee

UPDATE FROM THE DIRECTOR OF EDUCATION MINISTRIES -- AMY GRELLA - 412-801-3723

Join us for Kick-off Sunday, September 11

Please join us for our fall season kick-off on September 11. Join us before worship for a buffet style breakfast starting around 8:30 a.m. Plan to stay for a special event after worship where the youth mission team will be sharing a recap of their Philadelphia mission trip. Childcare will be available during this special program in room 110 / playground area.

Sunday School Begins on Sunday, Sept. 11

We welcome children and youth for in-person options which kick off on Sunday, Sept. 11. Our nursery will be open for babies and toddlers during worship. During second hour, childcare will be provided in room 110. Please look below for details on the plan by each age group. Also, please be sure to read the updated safety plan article also in this newsletter.

Children's Worship (Preschool - 2nd grade)

Children preschool (potty trained) up to second grade will start in worship with their families. After the Children's Sermon, kids will be escorted downstairs to room 103, our Children's Worship Space. Children will have their very own worship experience, learning Bible stories through seeing, hearing, and hands-on activities. Parents may pickup their children in the classroom after worship ends.

Tweens (3rd - 5th grade)

The 3rd – 5th graders will meet during worship in room 105 using the ever-popular Holy Moly curriculum. This class will still take place during the entirety of worship service, so kids should go directly to room 105 on Sunday morning. Parents may pickup their children in the classroom after worship ends.

NEW YOUTH GROUP OPPORTUNITIES KICK-OFF

We are excited to share new groups for kids and youth from 3rd through 12th grade. This year, we are happy to offer separate youth group options for two age groups: 3rd-8th grades (aka our tweens and middle schoolers), and our high school. Led by Miss Amy and other volunteers, these groups will meet for Sunday Night Live (SNL) once a month on Sunday evenings at the church. Because we are only meeting once a month, it is vital that you make every effort to have your child participate, so we have enough kids to make these groups meaningful. Kids are welcome to bring friends or neighbors to join us.

Youth Group Kick-off Event for 3rd-12th graders

Youth in grades 3-12 will meet at Forsythe Park in Carnegie for a picnic lunch next Sunday, Aug. 28 from noon - 2:00 p.m. Lunch will be provided. We will eat, hang out, and play some yard games. Bring \$7 for mini golf, and extra \$\$ if you want a snack bar treat - they have AMAZING home-made ice cream sandwiches! Please [RSVP here](#) so food can be arranged. We are also in need of adult chaperones – so please let me know if you'd like to join us.

Tweens and Middle School (3rd - 8th grades) will meet the first Sunday night of each month.

All meetings will be from 6:30 - 8:00 p.m. We will meet in Fellowship Hall. NOTE: Since this first date falls on a holiday weekend, we will start our first meeting in October.

October 2, November 6, December 4 – **White Elephant Party**

High School (9th - 12th grades) will meet the third Sunday night of each month.

All meetings will be from 6:30 - 8:00 p.m. We will meet in downstairs in room 105.

September 18, October 16, November 20, and December 4 – **White Elephant Party**

SAVE THE DATE – Youth Fall Retreat

Youth in grades 6-12 are invited to meet at Camp Ligonier with other area churches for our annual fall Retreat the weekend of November 11-13. Details to follow, but plan to leave Friday early evening (around 6:00 p.m.), and return on Sunday by noon. This is a fun, faith-filled event that you don't to miss!

Mark Your Calendar for...

BHCC's Got Talent!

Saturday, October 22

6:30 p.m. - 8:30 p.m.

You won't want to miss this season's version of BHCC's Got Talent! We know many of our congregation members and friends have untold hidden (and not so hidden) talents. Perhaps you are an exceptional singer. Maybe you are a juggler, or a comedian at heart. Little did we know that you and your partner are swing dance champions! Maybe you and your son or daughter have a gig you'd like to share. Write and present your own poetry, do you? Whether you have a serious talent, or one tinged with humor, we invite you to begin rehearsing your act and plan to share it with your friends at church on October 22.

Our youth are also encouraged to perform. Maybe some of the choir members can put new words to a favorite hymn. Whatever your talent, our panel of distinguished judges -- Rick Jacobs, Jean Miewald, and Ruth Robbins -- are prepared to commend and comment as we evaluate the evening's acts. Your performance will be limited to three minutes. We'll plan to use the Fellowship Hall stage and refreshments will be provided.

If your talent is more along the lines of the visual arts, bring one or two of your paintings, photos, or crafty creations for display. These are welcome as well and will be displayed in Fellowship Hall that evening. If you would like to be on the performance agenda for the evening, please inform us of your plans by emailing Sally Child at sa.child@yahoo.com or Lynn Helbling Sirinek at lhsirinek@yahoo.com. If the visual arts are more your thing, you may contact Lynne Wohleber at gingercat65@hotmail.com

Watch for more details as the date draws nearer, and be sure to mark your calendars!

GIVING TREE SEPTEMBER COAT DRIVE

Clean out your closets! During the month of September, we are accepting new and gently used coats for men, women, and children. There is a great need for Large and X-Large sized coats and hoodies for men/women. Consider purchasing these items from thrift stores. Coats and hoodies can be hung on designated racks outside of Fellowship Hall. Check out the Mission Committee GIVING TREE going up September 4, outside the Sanctuary for all the collection details!

COFFEE HOUR HOSTS NEEDED

Coffee hour is an important time of fellowship each week. It's a time to welcome visitors and to catch up with anyone you missed during the Passing of the Peace.

Since we've resumed live worship following Covid, we've lost several coffee hour hosts.

Typically, each coffee hour host serves twice a year, but with the loss of hosts we're short to complete the schedule without either asking some hosts to serve a third time, or having coffee hour come out of the church budget.

Neither of those options is a terrible solution, but if anyone has been thinking, I would like to be a coffee hour host, now would be a great time to start!

Here are some details about what coffee hosting entails, Please don't be scared - I always make sure that someone will be available to help new hosts find everything in the kitchen and to show them how to make the coffee.

- Snacks - The coffee hour host provides all the treats for the adults (kid snacks like Goldfish crackers and fruit snacks are provided by the church). There are trays in the kitchen for any items you bring. Most hosts include simple treats like mini muffins, cookies, or bagels. Some hosts will go above and beyond with items like fruit or cheese and crackers, but these **are optional**.
- Drinks - The coffee hour host prepares coffee, hot water for tea, and lemonade. All supplies are provided by the church. During the summer, we only do cold drinks.
- Set up - Typically the tables are already in place for coffee hour, but the host will have to put tablecloths on a few tables and bring out all the cups, plates, napkins, drinks, snacks, etc.
- Clean up - There is always a Bubble Brigade dishwasher volunteer to clean the mugs and plates, but the coffee hour host is responsible for washing any trays, coffee urns, or other items that can't be run through the dishwasher, as well as cleaning the tables and sweeping the floor in Fellowship Hall.

If you are willing to serve as a coffee hour host, contact Theresa Child at treetoowon@yahoo.com or 412-429-9519.

FROM THE ECO-JUSTICE TEAM

Great job, kids!

VBS was a “green” event this year, as you already know. The Eco-Justice team sends thanks and admiration to the children and adult volunteers who participated. A lovely oak tree was planted at the entrance to the south parking lot, with yeoman work from the upper elementary/middle school leaders. Kudos to all!

Global Clean Energy Action Forum September 21 - 23

This September in Pittsburgh, the U.S. will host the first ever Global Clean Energy Action Forum (GCEAF). The U.S. Department of Energy (DOE) is partnering with Carnegie Mellon University (CMU) to host the 2022 GCEAF. The forum will be held at the David L. Lawrence Convention Center September 21st-23rd. According to gceaf.org, the venue itself, Pittsburgh, is significant. As Secretary Granholm put it, the Steel City of Pittsburgh is “a town that exemplifies how a legacy energy and industrial-dependent economy can be transformed into a technology and innovation powerhouse.”

The three-day event will feature a high-level plenary, topical roundtables with energy and science ministers from 31 countries, CEOs and experts, side events, technology demonstrations, and other activities. The global clean energy transition is aiming to bring “enormous opportunities and benefits” to our communities, workers, and industry. The many varieties of clean energy will be discussed as well as climate change and the COVID-19 pandemic. CMU will bring together a local host committee to ensure voices and perspectives from across our community – including industry, government, labor, non-profit organizations, and philanthropy are included. For more information, visit <https://gceaf.org>.

Cities around the world are exploring ways to deal with the ever-growing negative effects of climate change. Pittsburgh has the resources to be in the forefront, for which we are grateful!

Why do White Americans have on average 13 times more wealth than African Americans? There have been government policies after the Civil War that have led to this disparity. Bread for the World has documented some of these policies. Here is their Policy # 3 contributing to the gap.

Minding the Gap: **Policy #3 The National Housing Act of 1934, Part 1**

Policies under this law guaranteed federally-backed loans to whites and legally refused loans to blacks and anyone else who chose to live in or near black neighborhoods. This practice, known as “redlining,” targeted entire black neighborhoods and identified them as “Grade D.” This made it nearly impossible for appraisers in the private sector to do business in black neighborhoods because all the residents were considered bad credit risks.

How does inequality in access to home loans contribute to the racial hunger, income, and wealth gaps?

Homeownership is the primary way for American families of modest means to build wealth. African Americans have been denied equitable access to mortgage loans, and therefore homeownership, for roughly the past four generations. Areas with a low rate of homeownership have fewer assets, equity, and resources. Consequently, African American neighborhoods are far more likely than white neighborhoods to have areas of concentrated poverty, meaning that a sizeable proportion of residents live below the poverty line.

Message from Mission Committee and Immigration, Refugee, and Undocumented Persons Team (IRU Team)

The BHCC delegation that planned to travel to Arizona in October for the training with Borderlinks has reluctantly made the decision not to do the in-person trip, but to do the training remotely. We will be doing the training together in the Friendship Room on Saturday, October 8, Sunday, October 9, and Monday, October 10, 2022 from 11:00 a.m. - 4:00 p.m. This opens an opportunity for those interested in immigration issues, but unable to take the time or money to go to Arizona, to do this training with us.

The cost of the training will be dependent on the number of participants, but no more than \$175 including lunch. No questions asked, partial or full scholarships will be available if cost is a concern. Participants must also commit to participating in the entire training. We are asking anyone doing the training to come to the church for each session for a more meaningful experience. An outline of the training is below. If you want a more detailed description of anything on the Agenda, we can provide that to you.

Please let us know by **September 7, 2022** if you are interested in registering for the training. If you have any questions contact any member of the IRU Team – Linda James, Sarah Neusius, Betsy Hohlfelder, Darendra Lease, Theresa Child, or Jean Miewald. If you wish to sign up for the training, contact Linda James. We hope some of you can join us in what we believe will be a great experience.
