

~A New Thing~

“I am about to do a new thing; now it springs forth, do you not perceive it?
I will make a way in the wilderness and rivers in the desert.”

~Isaiah 43:19

Dear Members and Friends,

How fast the world changes! My earliest memory is my 4th birthday in January 1974. There was big stuff going on in the world, like the aftermath of Watergate and the war in Vietnam. But—unlike my daughter Chloe—I was not aware of politics by the age of 4. I mainly occupied myself with affairs closer to home, like getting our Great Dane to let me ride him like a horse. Some of you remember 1974 as if it were two days before yesterday: network TV, rotary phones, Aqua Net. It was only 56 years ago. But 1974 is exactly as far from today as it is from 1918, the last year of World War I. What’s the first year you recall? Now subtract your current age from that year. What year did you get? How has the world changed since then? The changes during your lifespan are like a gentle snowfall: consistent, sometimes imperceptible, enormous, unrelenting.

How much has the church changed in the number of years you’ve lived? Church was once your “third place,” even if you weren’t very religious. Plays, concerts, classes, clubs, committees, “mixers,” picnics, games, supper clubs, and worship services brought people to church several times a week—not to mention the frequent weddings, baptisms, and funerals. People were not more spiritual in the 1950s; they just had fewer options. You could hang out at the church or at a bar. No Starbucks, no B&N, no social media. I prefer the 21st century because, now, folks come to church because they want to be here.

But what happens when fewer and fewer want to be here? Our 75th anniversary, with its speaker series and capital campaign, is an opportunity to explore forward-looking questions like these. The session of Bower Hill Church has been asking such questions and reading the book *When Church Stops Working: A Future for Your Congregation beyond More Money, Programs, and Innovation*, by Andrew Root. Root will be the featured expert at our speaker series on April 22. What does the expert have to say? One elder on session put it this way: “Stop flailing.” Adding more events and programs to the church calendar is not the answer. People are already busy. Instead, do the very thing church is supposed to do: Love your people and love God.

And so, we’re looking at ways to renew our bonds to each other and to God without asking people to come to a bunch of extra events outside Sunday morning. What if we had a different church member share their “testimony” each Sunday? What if we let the passing-of-the-peace go on till people were done talking? What if we shared our joys and concerns verbally during worship...or had a meal together once a month instead of the sermon? What if we did more intergenerational mission projects together? How about an all-church retreat somewhere in the Laurel Highlands in the summer?

Love others, love God. That’s all God asks of us. If we focused our energies on doing better at those two things, what might the church become? We hope you’ll join us on this journey of discovery. A good place to start is to take part in our speaker series, “Faith Forward: The Future of Congregational Life.” See inside for details. God is doing a new thing in our times, as God has done in all times. What do you think we could do to better love each other and God? It’s a joy to be making this discovery with you.

Christ’s Peace,

~Brian

TUESDAYS WITH MATTHEW: EVENING LENTEN SERIES:

Each Tuesday evening in Lent, we will be gathering at 7pm in the Friendship Room and by zoom to discuss the daily devotional "Discipleship in a Divided Age, a Lenten Journey through Matthew's Gospel: Living Faithfully amid Division and Uncertainty," by Terri McDowell Ott. We ask that you set aside time each day in Lent for the devotional reading, then bring your thoughts, feelings, and insights to share on Tuesday nights.

Find these booklets in the church Narthex, or ask the office to send you an electronic copy. It's okay to take part in the discussion even if you didn't do the readings...and it's okay to read the devotional without taking part in the discussion.

We hope to see you there. The weekly zoom link is below for those who cannot be present in person:

PASTORAL PONDERINGS

Lent is the 40-day period from Ash Wednesday to Maundy Thursday. This is intended to prepare us for the celebration of Easter. We are reminded of Jesus' period in the wilderness. Though we often associate Lent simply as a time of giving up some pleasure, it is meant to encompass three themes: prayer, fasting, and almsgiving. As we experience these themes, we do this in the context of community. Our prayers remind us of the needs and struggles of others. Likewise, fasting reminds us of sacrifice that others have made for our betterment as well as those whose daily meals are an economic challenge.

Almsgiving is thought to be just donating, food, money, clothing or other goods to the poor and homeless. However, it is not just an act of philanthropy, it is meant as a spiritual practice to detach us from focusing on material items and bring justice to those that have been abandoned by our systems.

This lent doesn't just give up...think of how we can give out to the community

Order forms will be available for pickup in the Narthex after worship this Sunday or you can [click here](#) to print off an order form. Completed orders can be mailed in or dropped off at the church office. The deacons will begin accepting flower orders in the Narthex after the worship service on Sunday, March 1, and the next two Sundays, March 8 and March 15.

Your dedications will be listed in a special bulletin insert on Easter Sunday. If you prefer not to purchase flowers but would like to remember your loved one(s), you can make a donation, and their names will be included in the Easter Sunday insert.

All monetary donations will go to SHIM.

Please note that the deadline for ordering flowers is Wednesday, March 18.

Purchased flowers must be picked up immediately after the worship service on Easter Sunday. If you would like to remember your loved one(s) and you are not attending in-person worship and would be unable to pick up flowers immediately following the service, please consider making a monetary donation instead. Intergenerational Opportunities

Join Bower Hill youth in the movement to Tackle Hunger by collecting both monetary and food donations to benefit the Greater Pittsburgh Community Food Bank. We're asking for your help in one of four ways:

1. Share this drive with friends and neighbors by passing along fliers (located on the tables in the Narthex) or [download and print them here](#) to hand out to your neighbors.
2. Make a monetary donation directly to the Food Bank [on-line](#).
3. Bring your food items to church between now and March 8. There will be a collection box setup near the portico entrance.
4. Help collect donations from around the neighborhood on Sunday, March 8. We will meet in Fellowship Hall after church.

Save the Date for the Annual Spring Plant Sale

Bower Hill youth are partnering with Dean's Greenhouse to offer a wide selection of plants including annuals, bedding flats, hanging baskets, herbs and vegetables. Proceeds will offset costs for summer mission trips and projects. Sales will be taken mostly on-line in April, with plant delivery on Tuesday, May 19.

April brings warmer weather and a family opportunity to focus on caring for God's creation. Join us on Saturday, April 18, from 9:00 a.m. - noon. We will work with Mt. Lebanon Nature Conservancy in Twin Hills Park to plant native trees, shrubs and perennials. Meet at the Twin Hills Drive entrance. Bring a shovel and gloves if you have them. [Click here to RSVP](#). While open to all, we ask an adult to accompany any children 4th grade and under.

From the Eco-Justice Team:

In a recent article, the Post-Gazette referenced a piece by the Associated Press concerning individuals' possible effect on climate change. The A.P. asked, "What if just 1 in 10 Americans who currently eat beef, drive gas-powered cars, heat their homes with natural gas and buy new clothes changed each of those habits?" Gathering data from federal agencies and other sources, they calculated how much difference would result if one in ten Americans changed their habits. Two of those habits will be discussed this month, and two in April.

The American Heart Association considers one serving of meat to be 3 oz. Substituting a serving of chicken that size for one of beef would cut 10 pounds of carbon dioxide, or 525 pounds over 52 weeks per person. If the price of beef hasn't already forced you to make that change, it's an easy one to do.

The EPA says the average American motorist drives 11,500 miles each year. Switching from a gas to an electric vehicle "cuts nearly 7400 pounds of carbon dioxide annually, even accounting for emissions from electricity generation." However, electric vehicles may not always be the best choice for our climate and terrain. The article does not consider hybrids, which are becoming extremely popular. They have both a gas engine and a large battery, which is charged either from plugging it in, or from the gas engine itself and energy recouped from the brakes.

Enjoy planning your sustainable garden this month- organic vegetables and/or native plants!

What are you giving up for Lent?

As we enter Lent, the season of preparation before Easter, many people choose to give something up. This year, I invite you to consider giving up a bit of nightly screen time and replacing it with a short daily Bible reading.

Pastor Brian and I will host a weekly discussion each Tuesday at 7:00 p.m. in the Friendship Room and by Zoom, using *Discipleship in a Divided Age...Living Faithfully amid Division and Uncertainty* by Terri McDowell Ott. You can pick up a copy in the Narthex or access the digital version by [clicking here](#).

Join us as you're able - whether or not you've completed the readings, and even if you can't attend every week. You're also welcome to simply follow the devotional on your own. We'd love to have you with us.

P.S. If you have an older youth or teen, consider making this Lenten study a family practice.

FLEA MARKET HELP NEEDED!

The Spring Flea Market will be held on Saturday, March 28. As always, there will be many opportunities to help — and we truly appreciate every hand!

Here's the scoop:

Sunday, March 22 - Final Collection

This is the last opportunity to drop off donated items before we begin preparing for the sale.

Wednesday, March 25 & Thursday, March 26 beginning at 9:00 a.m. - Unpacking the Boxes

Help us unpack and organize items for the sale. Come for an hour or stay all day for a great workout! We're typically finished between 12:00–1:00 p.m. Snacks will be provided, but if you plan to stay all day, you may want to bring a bagged lunch.

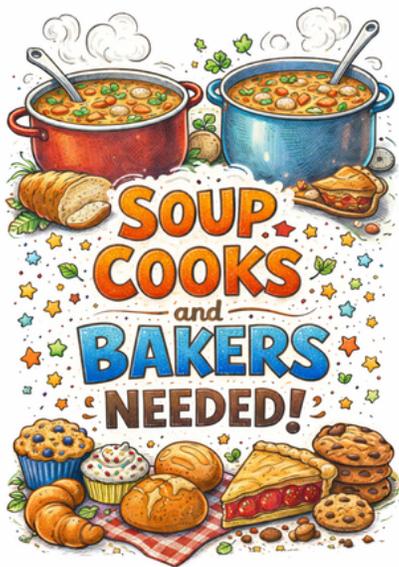

Saturday, March 28 - 8:15 a.m. - 3:00 p.m. - Sale Day

The Flea Market opens at 8:30 a.m., and shoppers often arrive early. We usually need the most help during the first two to three hours, but with four rooms operating, afternoon help is just as important.

Sunday, March 29 & Monday, March 30 - Packing Up

If you have time following worship on Sunday or during the day Monday, we welcome help packing boxes to be stored upstairs for the next flea market or prepared for donation. Monday times are TBD. (The Boy Scouts transport the boxes — we simply need help packing.)

SOUP COOKS AND BAKERS NEEDED, TOO

We're looking for bakers to make items for the snack bar such as mini muffins, cookies, and brownies. Baked goods can be dropped off in the kitchen on Friday, March 27, any time between 10:00 a.m. and 1:00 p.m. We're also looking for 1–2 gallons of each soup - Chicken Noodle, Potato, and Chili. Containers can be provided if needed. Soup can be dropped off in the kitchen on Friday, March 27, from 10:00 a.m. to 1:00 p.m., or brought to the kitchen hot by 9:30 a.m. on the day of the Flea Market.

If you can help, we'll have sign-ups for soup cooks, bakers and day of sale help outside the Sanctuary after the worship service on March 15 and March 22 or contact Theresa Child at 412-429-9519 or at treetoowon@yahoo.com.

Thanks in advance for all your help in making this year's spring flea market a success.

Get Outdoors Canceled for March

Get Outdoors has been canceled this month. Unfortunately, the snow has been packed down on the trails which has turned into ice. So, we will cancel the hike in March. At least for the April hike the worst we should need to contend with is wet trails.

Hooks & Needles March 7 & 21

Beginning on Saturday, March 7, Hooks 'n Needles will meet at the church in the Friendship Room. We meet on the 1st and 3rd Saturday of each month from 1:00 p.m. to 3:00 p.m.

We would like to have more members, so if you enjoy any kind of needlework, please feel free to join us. Just park in the handicapped parking lot and come in the kitchen door and down the hall.

Koinonia Wednesdays 9:15 a.m. Room 110

All women are welcome to join Koinonia, BHCC's women's Bible study group, and to explore and share in faith and fellowship with other women. This group meets on Wednesdays, fully in-person in the lounge (Room 110). Contact Sarah Neusius (sraahneusius@gmail.com) for more information or just come and join us.

Senior Men's Breakfast March 3 8:00 a.m.

Join us at Denny's restaurant at 2180 Greentree Road, near Swallow Hill Road. No reservation is required, and conversation is spontaneous. The regular meeting date is on the first Tuesday of each month. All men are welcome. Any questions or comments, contact Glenn Child at gstchild@yahoo.com.

Bookworms March 24 1:30 p.m. via Zoom

This is an open invitation to anyone attending Bower Hill Community Church, friends and family members, to join Bookworms, the Church Book Club. Reading and discussing books since 2001, members have enjoyed the variety of perspectives readers bring: from 'loved it', to 'yuk', to everything in between.

The group reads fiction, non-fiction, memoirs, biographies, really anything the group suggests. The conversation is assisted by online reader guides. Different perspectives create great discussions. All opinions are welcome. A list of the books read by the group is available on the church website. (<https://www.bowerhillchurch.org/books-read>). Check out the variety!

The group currently meets by Zoom on the fourth Tuesday, January through November, at 1:30 p.m. We met in the evening at the church until Covid made meeting in-person impossible. Virtual contact is still comfortable for most attendees, although that could change in the future.

Please consider joining the group to discuss any book that interests you. Reading every book and attending all the discussions is not mandatory to be a member. Come try us out. We may 'worm our way' into your reading routine. To join the group for the next meeting, send your requests to Sally Child at sa.child@yahoo.com.

DID YOU MISS BIRTHDAY SUNDAY?

No worries! Here's a recap with links to accompanying videos.

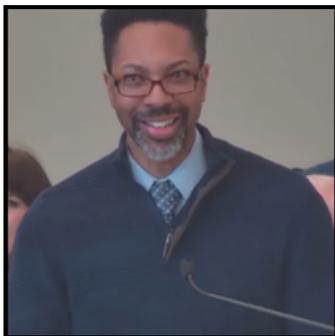

If there are issues with the links, all videos can be found in the 75th Anniversary playlist on the Bower Hill Community Church YouTube channel.

When children (and some adults) celebrate their birthdays, one of the best parts is the presents they receive, but when Bower Hill celebrated our 75th birthday, we decided it was better to give gifts and to celebrate the gifts we have given in the past through our mission.

During the worship service, we had the opportunity to hear from representatives from South Hills Interfaith Movement, The Neighborhood Academy, and Casa San Jose. These are just three of the organizations over the years that we have been blessed to give our gifts of monetary donations and as Jim Guffey from SHIM likes to put it, "Bower Hill shows up...not only with funding but with sweat equity."

We also heard from Greg Jones, from First Baptist Church of Bridgeville, who talked about the relationship we have with them ever since we've been sharing our chapel and facility for them to worship and function as a church after their building flooded in the late 2010s.

You can use the links below the pictures to hear what each speaker said during the service.

In lieu of a postlude and before we headed into Fellowship Hall for our other activities, we sang *Happy Birthday* to ourselves. Use the link below to hear our festive singing!

Happy Birthday Bower Hill!

When we went into Fellowship Hall, we jumped right into our main activity for the day - putting together 25 drawstring backpacks full of “healthier” snacks for the children served at SHIM and The Neighborhood Academy and 25 drawstring backpacks full of toiletries for Casa San Jose. (Altogether 75 backpacks were filled to celebrate our 75th Anniversary.)

Many members took time to talk to Jim Guffey from SHIM and to Dr. Anthony Williams from The Neighborhood Academy before they started putting together their bags.

Then it was time to eat! The Throwback Potluck was a huge success! Tons of yummy food from decades past!

And of course-we spent time enjoying each other's company!

When the meal was over all three organizations got to take home their 25 bags. Casa San Jose left with 25 bags full of toiletries, plus a whole bunch of additional toiletries (when you buy in bulk, you usually don't get the magical number of 25), The Neighborhood Academy and SHIM left with 25 bags each full of "healthier" snacks and additional snacks. SHIM got super lucky because right before they left, we realized that we had a large pan of beef stroganoff and a bunch of biscuits and rolls left, so they took that with them as well.

All in all, it was a great birthday celebration!!
